Ruben,

I think it's in the risk assessment update section, says 1 in 10,00 – missing a zero or misplaced comma? Apparently it's this way in every report.

Thanks, Jonna

Importance: High

Good Morning,

Normally following a stakeholder meeting, we quickly send you all the notes from the meeting, but our meeting yesterday had some very important thoughts that I think our team needs to thoughtfully consider and discuss. They also noted an important typo in all of the reports that must be corrected prior to posting tomorrow.

I'd like to schedule a meeting for 2:00 p.m. this afternoon. Later in the afternoon would also work, but being thoughtful about your work schedules. Please let me know your availability.

Thanks, Jonna
